

# COVID-19 RESPONSE PLAN

## JULY 9, 2021

In response to the continued concerns locally about COVID-19, CAHRD is monitoring the evolving information from the Winnipeg Regional Health Authority, and all levels of government. We continue to implement a variety of strategies to help prevent/reduce the transmission of COVID-19.

Please note this plan will be continually re-evaluated and updated information will be shared as required. We appreciate your understanding, and look forward to working together during this difficult time.
