

CAHRD COVID-19 RESPONSE PLAN EFFECTIVE MARCH 28, 2022

In response to continued local concerns about COVID-19 and the impacts on the Indigenous community, CAHRD will continue to implement a variety of strategies to help prevent and/or reduce the transmission of COVID-19.

CAHRD's COVID-19 Response Plan will be continually re-evaluated and updated as required to ensure everyone's safety based on any emerging and new information from the Winnipeg Regional Health Authority, Manitoba Public Health, and all levels of government.
